Stoneville Saloon - hwy 212 Alzada, MT phone: 406-828-4404 - video poker , camping , ammo , tattooing , cheap drinks & lousy food . All bikers welcomed - great stop on the way to Sturgis from the N.W. This place is by far one of the best "biker-friendly water holes" This was a family owned and operated Saloon,until 2000. The owner Rob Peterson (my Dad) moved back to California, tragically he passed away one year later. My sister and I are still owners, as his ex runs the place. I haven't been there in four years, I'm sure it's the same. I do know what has changed, the personality!!!! People tell me that all the time. The bar itself will alwas have personality. Stoneville Saloon Cheap Drinks And Lousy Food is still open 7 days a week, 11am-12midnight(ralley hours: 8:00am-2:00am) Always call just to see if anything has changed, it is in the middle of nowhere!!!!

Water Hole #3 416 S Ellery Ave. Fairview, MT
Phone: 406-742-5224 - Great bar and lots of bikes pass through here. Great place to have a drink on your ride. Only bar around that has Meyers. You'll see lots of Harleys and after dark you'll probably even catch a glimpse of a Titan. John's bar in Plentywood isn't the only bar in north eastern Montana that is biker friendly.

WATERHOLE SALOON MAIN STREET REED POINT, MT
Phone: 406-326-9919 - It ain't no "City" Bar! A great traditional primitive "Montana" style saloon. Home of the Famous "Montana Sheep Drive" and hangout for all bikers that pass through or live in the area. Owned by Chris Hahn and his lovely wife, Dian Hahn. Owned for 30 years by them personally. They're very receptive to all bikers! Great people. Reed Point is 60 miles west of Billings, Montana and 80 miles east of Bozeman on all routes along the Yellowstone River to Yellowstone Park and the most scenic highway in the state! They have food, ice cold drinks and great montana tradition. Exit interstate 90 at Reed Point, the Waterhole is at the end of mainstreet (5 blocks long!) on the right hand side. Plenty of parking and good humor!
