Toll Free: 1-877-729-8100 - My name is Jo Ann Robertson. My husband, Dar, and I have just recently opened a new Bed & Breakfast in Corrales, New Mexico. We are both motorcycle riders, and offer a locked garage area for motorcycles. There are multiple day trips that can be taken while staying in the B&B. Or just an overnight stay with a wonderful full breakfast before you hit the road. Our B&B is located about 15 minutes from Route 66. For more about New Mexico Route 66 www.rt66nm.org. We are located 45 minutes South of Santa Fe and 15 minutes North of Albuquerque. The architecture of our B&B is called New Mexican territorial. This style of architecture was created approximately 300 years ago and utilized the material available to the Spanish settlers. This consists of Adobe walls and wood resources that were available in the area. Examples are available in the digital photographs on our web site at www.casadekoshare.com
