### North Carolina

**Angy and Angie's Bike 'n Ink Emporium and Gift Shop 245 Barry Pond Ct. Specializing in bar food (come for the nachworst, stay for the pie!), we'll take all comers when it comes to fried foods. Local critics have raved: "I was really just looking for directions, but I got much, MUCH more. The BakedAlaskan was the best I've ever had at a biker-friendly bar, and this outfit had all of their ABC permits. Really, it was one-stop shopping for the whole family!"-Barry Fields, The Raleigh Chronicaller-Limited. Remember to ask us about "Dress-Up Days!", and bring in your recyclables for full redemption.
